

Zdravím devátáky,

posílám řešení cvičení k samostatné kontrole (**opravte si barevně a uschovejte pro případnou pozdější kontrolu**). **Pokud máte splněné a odevzdané všechny úkoly za předchozí týdny, dopřejte si týden velikonočního odpočinku. Zasloužíte si ho vy i vaši rodiče. Načerpejte novou sílu do další práce a užijte si hezké svátky.**
